**ASSIGNMENT OF INTELLECTUAL PROPERTY
FROM BBJ TOOLS INC. TO NOV Worldwide C.V.**

THIS ASSIGNMENT OF INTELLECTUAL PROPERTY ("**Assignment**") is made as of this 20th day of June, 2013, by and between **BBJ Tools Inc.**, an Alberta corporation (hereafter, "**Assignor**"), and **NOV Worldwide C.V.**, a Netherlands limited partnership (hereafter, "**Assignee**").

WHEREAS, **Assignor** is the owner of those certain Intellectual Property and Intellectual Property rights identified herein;

WHEREAS, this Assignment is made as part of, pursuant to, and in consideration of that certain Asset Purchase Agreement among **Assignor**, Assignor's named Shareholders, and **Assignee**; and

WHEREAS, **Assignee** is desirous of acquiring the entire and exclusive right, title, and interest in and to, and possession of, the certain Intellectual Property and Intellectual Property rights identified herein.

Assignment of Intellectual Property Rights

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Assignor** does hereby assign, transfer, and convey to **Assignee**, the Assignor's entire and exclusive right, title, and interest in and to, and possession and use of (including, but not limited to, the right to sue for past, present, and future damages due to infringement): (i) the following patent applications; (ii) the inventions claimed in said patent applications; and (iii) all other applications, patents, registrations and certificates that claim priority directly to one or more of said patent applications:

Application Number	Filing Date
US 12/878551	09-Sep-2010
EP 2260172 / 09720006.7	13-Mar-2009
CA 2717484	13-Mar-2009
CA 2714704	09-Sep-2010

Assignor does hereby assign, transfer, and convey to **Assignee**, all of **Assignor's** right, title, and interest in and to, and possession and use of the know-how and copyrights to written materials to the extent related to the foregoing patent applications, and each application or registration therefor.

This Assignment includes all rights that would be enjoyed and all obligations that would be suffered by **Assignor** if this transfer and assignment had not been made, including, but not limited to, the right to sue for past, present, and future damages arising from infringement of these rights.

Assignor hereby authorizes and directs the appropriate governmental officials to issue any and all such patent or other intellectual property right assigned hereunder to **Assignee**, as the owner of the entire and exclusive right, title, and interest in and to the same.

Assignor further covenants and agrees that **Assignor** will at any time upon reasonable request:

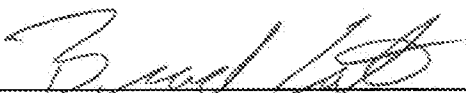

- (i) make, execute, and deliver without further compensation, any and all other instruments in writing, including further applications, papers, affidavits, power of attorney, assignments, and other documents, and do all lawful acts and things, which, in the reasonable opinion of counsel for **Assignee**, may be required or necessary to more effectively to secure to and vest in **Assignee**, its successors, and permitted assigns the rights transferred hereunder; and
- (ii) sign any applications for reissue, division, continuation, continuation-in-part, counterpart, renewal, reexamination, substitute, or extension of said right transferred hereunder or any resulting patent or related property right.

Assignor further covenants and agrees that **Assignor** will at any time upon request communicate to the **Assignee**, or legal representatives, any facts relating to the aforesaid inventions known to it, and, in exchange for reasonable compensation for necessary travel and related expenses, will testify as to the same in any interference, litigation, mediation, arbitration, or other proceeding when requested to do so.

For purposes of this Assignment, the term "Intellectual Property" has the meaning expressly set forth in the Asset Purchase Agreement.

IN WITNESS WHEREOF, **Assignor** and **Assignee** have hereunto set their hand and seal.
