Assignment and Affidavit

Inventor: David E. Reinhardt

Title: Multi-Configuration Motorcycle Tour-Pack and Backrest

WHEREAS, David E. Reinhardt, also known as David Weinhardt and hereinafter referred to as "Reinhardt", of Cloverdale, California invented certain new and useful improvements as described in a U.S. provisional patent application entitled Multi-Configuration Motorcycle Tour-Pack and Backrest and being identifiable in the United States Patent and Trademark Office by Application No. 61364271, filed November 26, 2011, and described in a U.S. nonprovisional patent application entitled Multi-Configuration Motorcycle Tour-Pack and Backrest and being identifiable in the United States Patent and Trademark Office by Application No. 13/487997, filed November 28, 2012; and

WHEREAS, Reinhardt transferred his entire right, title and interest in and to the invention throughout the world, the above-identified provisional application, all corresponding domestic and foreign applications, all Letters Patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention to Tomorrow Designs and Innovations Today, LLC, a California Limited Liability Company (hereinafter "Tomorrow Designs and Innovations Today"); and

WHEREAS, Tomorrow Designs and Innovations Today has agreed to convey the entire right, title and interest in and to the invention, the applications, and any and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefor back to Reinhardt (Assignee);

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00), and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Tomorrow Designs and Innovations Today hereby transfers to Reinhardt, his successors and assigns, the entire and exclusive right, title and interest, including the right to sue for past infringement, if any, and all right pursuant to 34 U.S.C. Section 154, to the invention throughout the world, the above-identified applications, all corresponding domestic and foreign applications, and all Letters Patent of the United States and its territorial possessions and in any and all foreign countries to be obtained therefor on said applications or any continuation, division, continuation-in-part, renewal, substitute, reissue or reexamination thereof, and any other application claiming priority thereto, including future inventions or future improvements, for the full term or terms for which the same may be granted.

Tomorrow Designs and Innovations Today authorizes Reinhardt, his successors and assigns, or anyone he may properly designate, to apply for Letters Patent or similar legal protection, in his own name if desired, in any and all foreign countries.

Tomorrow Designs and Innovations Today represents to Reinhardt, his successors and assigns, that it has not and shall not execute any writing or do any act whatsoever

conflicting with this Assignment. Tomorrow Designs and Innovations Today, its successors and assigns shall at any time upon request, without additional consideration, but at the expense of Reinhardt, his successors and assigns, execute such additional writings and do such additional acts as Reinhardt, his successors and assigns, may deem desirable to perfect his enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries with such applications as Reinhardt may deem necessary or expedient.

IN WITNESS WHEREOF, the undersigned affixes its signatures,
