ASSIGNMENT

WHEREAS, I, Jan Andries Verleur, residing at 6103 Aqua Ave., #1002, Miami Beach, Florida 33141 hereinafter referred to as the Assignor, is the sole inventor of certain inventions or improvements for which I have made application for Letters Patent to the United States, identified as Application No. 29/459,315, filed June 28, 2013, entitled CLUTCH; and

WHEREAS, VMR Products, LLC, hereinafter referred to as the Assignee, of 3050 Biscayne Blvd., 8th Floor, Miami, Florida 33137, a limited liability corporation of Florida, is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements and in and to the said application, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries.

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) to me in hand paid by said Assignee, and other good and valuable consideration, the receipt of which is hereby acknowledged, me, the said Assignor, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, to said Assignee, the entire right, title and interest in and to said inventions or improvements and said design patent application and any and all corresponding patent application(s), and continuations, divisions and renewals of and substitutes for said corresponding patent application(s), and in, to and under any and all Letters Patent which may be granted on or as a result thereof in the United States and any and all other countries, and any re-issue or re-issues or extension or extensions of said Letters Patent, and assign to and authorize said Assignee to file in my name corresponding patent applications for Letters Patent in all countries, the same to be held and enjoyed by said Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me had this assignment, sale and transfer not been made.

AND I hereby covenant that I have full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith, and I further covenant and agree that I will each time a request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said design patent application, said corresponding patent application(s) and said Letters Patent to said Assignee, its successors, assigns, nominees or legal representatives, and I agree to communicate to said Assignee, or to its nominee all known facts respecting said inventions or improvements, said design application, said corresponding patent application(s) and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid said Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said inventions or improvements in any and all countries.

AND I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on any applications as aforesaid, to issue to said Assignee, as Assignee of the entire right, title and interest, any and all Letters Patent for said inventions or improvements, including any and all Letters Patent of the United States which may

DOCKET NO.: 1617.VMRP0005D

be issued and granted on or as a result of any corresponding patent application(s) aforesaid, in accordance with the terms of this assignment.

IN WITNESS WHEREOF, I have hereunto set our hand and seal.
