Privacy Act Statement for Patent Assignment Recordation Form Cover Sheet

The Privacy Act of 1974 (P.L. 93-579) requires that you be given certain information in connection with the above request for information. This collection of information is authorized by 35 U.S.C. 1, 2, 261 and E.O. 9424. This information will primarily be used by the USPTO for the recordation of assignments related to patents and patent applications. Submission of this information is voluntary but is required in order for the USPTO to record the requested assignment. If you do not provide the information required on the cover sheet, the assignment will not be recorded, and all documents will be returned to you.

After the information is recorded, the records and associated documents can be inspected by the public and are not confidential, except for documents that are sealed under secrecy orders or related to unpublished patent applications. Assignment records relating to unpublished patent applications are maintained in confidence in accordance with 35 U.S.C. 122. Records open to the public are searched by users for the purpose of determining ownership for other property rights with respect to patents and trademarks.

Routine uses of the information you provide may also include disclosure to appropriate Federal, state, local, or foreign agencies in support of their enforcement duties and statutory or regulatory missions, including investigating potential violations of law or contract and awarding contracts or other benefits; to a court, magistrate, or administrative tribunal in the course of presenting evidence; to members of Congress responding to requests for assistance from their constituents; to the Office of Management and Budget in connection with the review of private relief legislation; to the Department of Justice in connection with a Freedom of Information Act request; to a contractor in the performance of their duties; to the Office of Personnel Management for personnel studies; and to the General Services Administration (GSA) as part of their records management responsibilities under the authority of 44 U.S.C. 2904 and 2906. Such disclosure to GSA shall not be used to make determinations about individuals.

ASSIGNMENT

We, Eric Crane, a citizen of the United States, residing at 508 Avenida La Costa, San Clemente, CA, 92672 USA, Mike Nelson, a citizen of the United States, residing at 2010 Costero Hermoso, CA 92673 USA, Kip Arnette, a citizen of the United States, residing at 31341 Holly Drive, Laguna Beach, CA 92651 USA, Scott Layton, a citizen of the United States, residing at 12882 NW Clement Lane, Portland, OR 97229 USA and Matt Capozzi, a citizen of the United States, residing at 4322 SW Hamilton Terrace, Portland, OR 97239 ("Assignors") are owners of HELMET, as described in the U.S. Design Patent Application, U.S. Patent and Trademark Office ("USPTO") Serial Number: _____, filed _____, (the "Design Patent Application"). We hereby authorize and request our attorney, Powley & Gibson PC, of 304 Hudson Street, New York, NY 10013 USA, to insert herein the application number and filing date of said application when known.

Electric Visual Evolution, LLC, located at 1001 Calle Amanecer, San Clemente, CA 92673 USA ("Assignee") desires to acquire all rights in and to the Design Patent Application and the patent (and any reissues or extensions) that may be granted. Therefore, for valuable consideration, the receipt of which is acknowledged, Assignors assign to Assignee 100% of their rights, title, and interest in the invention and the Design Patent Application (as well as such rights in any divisions, continuations in whole or part or substitute applications) to Assignee for the entire term of the issued Patent and any reissues or extensions that may be granted and for the entire terms of any and all foreign patents that may issue from foreign applications (as well as divisions, continuations in whole or part or substitute applications) filed claiming the benefit of the Design Patent Application.

Assignors authorize the United States Patent and Trademark Office to issue any Patents resulting from the Patent Application to Assignee according to the percentage interest indicated in this assignment. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

Assignors further agree to: (a) cooperate with Assignee in the prosecution of the Application and foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the Patent for the invention in any and all countries.
