PATENT ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I, Avinash K. Vaidya of 9 Baneberry Lane, Riverwoods, Illinois 60015 ("Assignor") do hereby sell and assign to Shure Acquisition Holdings, Inc. ("Assignee"), a corporation organized and existing under the laws of the State of Illinois, having its principal place of business at 5800 West Touhy Avenue, Niles, Illinois 60714 ("Assignee"), its successors, assigns, nominees, or other legal representatives, the entire right, title, and interest in and to the invention entitled "INTEGRATED LIGHT AND MICROPHONE SYSTEM", invented by me, and the application for United States patent therefor, which has not yet been assigned a serial number, the Declaration for which is being concurrently executed, and all original and reissued patents granted therefor, and all divisions, continuations, reexaminations, extensions, and certificates for said patents or applications, including the subject matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain patents and Utility Model Registrations which may be granted thereon in the United States and foreign countries. I hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any other countries whose duty it is to issue patents on applications as aforesaid, to issue said Letters Patent or Utility Model Registration to the Assignee, its successor, assigns, nominees, or other legal representatives, as assignee of the entire interest herein assigned.

I covenant that I have not executed and will not execute any agreement in conflict herewith and agree that I will communicate to the Assignee, its successors, assigns, nominees, or other legal representatives, all facts known to me respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for the application for such divisional, continuing, or reissue applications, or the procuring thereof, and that if and when the Assignee, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, I will, upon request, sign all lawful papers requisite for the filing of such disclaimer.

I, the undersigned, further agree upon the request of the Assignee, its successors, assigns, nominees, or other legal representatives, in the event of any application or patent assigned herein becoming involved in a review, reexamination, interference, opposition, litigation or other legal proceeding, to cooperate to the best of the ability of the undersigned with the Assignee, its successors, assigns, nominees, or other legal representatives, including but not limited to preparing and executing oaths, statements, affidavits, or declarations, and in giving and producing testimony and evidence in support thereof. The undersigned hereby agrees to perform, upon request, any and all affirmative acts to obtain said patents, registered designs and Utility Model Registrations, both in the United States and all other countries, and vest all rights therein hereby conveyed in the Assignee, its successors, assigns, nominees, or other legal representatives, whereby said patents, registered designs and Utility Model Registrations will be held and enjoyed by the Assignee, its successors, assigns, nominees, or other legal representatives, to the full end of the term for which said patents, registered designs and Utility Model Registrations may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 10<sup>th</sup> day of December, 2013.

Avinash K. Vaidya
