PATENT ASSIGNMENT

This Patent Assignment is made between Nolaris SA, a corporation of Switzerland ("Nolaris"), and Novaton Erneuerbare Energien AG, c/o Christine Maria Ledergerber Hinderling, Sperlietweg 59, 8052 Zurich, also a Swiss entity ("Novaton").

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Nolaris does hereby assign, convey, and transfer to Novaton all worldwide right, title, and interest in and to the following patent properties:

- a) U.S. Pat. No. 8,225,609, entitled "Steam Storage System For Artificial Solar Island," granted July 24, 2012;
- b) U.S. Pat. No. 7,891,351, entitled "Man Made Island With Solar Energy Collection Facilities," granted Feb. 22, 2011;
- c) U.S. Pat. No. 8,056,554, entitled "Man Made Island With Solar Energy Collection Facilities," granted Nov. 15, 2011; and
- d) U.S. Pat. Appl'n. Ser. No. 12/833,555, entitled "Photovoltaic Solar Island," filed July 9, 2010.

This Assignment includes all priority rights under applicable international conventions or treaties; the right to file, prosecute, and maintain all continuing applications, including reissues and reexaminations; and the right to enforce each such patent property against any third party infringers and to recover from each such third party infringer money damages for past infringement.

This Assignment also includes any and all improvements and inventions, whether or not patentable, which Nolaris may learn of, conceive of, or first actually reduce to practice. Nolaris shall promptly disclose to Novaton any and all such improvements to the inventions described in the patents.

Nolaris and Novaton understand that a duplicate of the signed original version of this document may be submitted to one or more various Patent Offices around the world, as deemed necessary by Novaton, for recordation purposes. Nolaris and Novaton also understand that such Patent Offices may require additional verification and/or documentation of the patent transfer embodied in this document. In such instances, Nolaris will fully cooperate with respect to any such additional paperwork needed, at Novaton's request. Nolaris and Novaton acknowledge that any such additional paperwork needed for complying with the procedural requirements of any particular country or region are to be considered secondary documents, such that this primary document supersedes all other documents with respect to the patent transfer from Nolaris to Novaton.
