ASSIGNMENT OF PATENT APPLICATION

WHEREAS, **NDI Medical, LLC**, an Ohio limited liability company, having an address at 22901 Millcreek Boulevard, Cleveland, OH 44122 ("Assignor"), is the owner of the entire right, title and interest in, to and under the patent application set forth on Schedule A, which is attached hereto and made a part hereof (the "Patent Application");

WHEREAS, **SPR Therapeutics LLC**, an Ohio limited liability company, having an address at 22901 Millcreek Boulevard, Cleveland, OH 44122 ("Assignee"), is desirous of acquiring the entire right, title and interest in, to and under the Patent Application; and

NOW, THEREFORE, in consideration of ten dollars (\$10.00) and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, and transfer to Assignee its entire right, title and interest in, to and under the Patent Application and to all inventions and improvements claimed or otherwise disclosed in the Patent Application, including the exclusive right to: 1) bring actions and collect damages for infringement of any patent issuing from the Patent Application, including infringement having occurred prior to the date of this Assignment of Patent Application; 2) claim priority to the Patent Application; 3) all reissues, continuations, continuations-in-part, divisionals, and reexaminations related to the Patent Application, and all foreign equivalents thereto; and 4) all Letters Patent which may be granted on any of the foregoing, and all reissues thereof.

Assignor hereby authorizes and requests the Commissioner for Patents of the United States Patent and Trademark Office ("USPTO"), and any Official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent related to the Patent Application to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Assignment of Patent Application.

Assignor hereby authorizes and requests the Commissioner for Patents of the USPTO, and any Official of any country or countries foreign to the United States whose duty is to record documents evidencing ownership of patents and patent applications, to record Assignee as owner of the Patent Application, including any reissues, continuations, continuations-in-part, divisionals, or reexaminations thereof and foreign equivalents thereto.

Assignor does also hereby sell, assign, and transfer to Assignee, its successors, legal representatives and assigns all claims for damages by reason of past infringement of the Patent Application or any patent issuing therefrom, the right to sue for and collect the same for its own use and enjoyment and the use and enjoyment of its successors, assigns or other legal representatives to the full end of the term for which the Patent Application is granted, as fully and entirely as the same would have been held by Assignor had this Assignment not been made.

Assignor further agrees to execute such further documents as may be required to record Assignee as the owner of the Patent Application herein assigned.

IN TESTIMONY WHEREOF, the Assignor has caused this Assignment to be signed and executed by the undersigned officer thereunto duly authorized, on this 2nd day of December, 2013.
