- hereinafter called "Assignors"

have invented certain new and useful improvements in a tow system having a divisible tow bar for which a patent application DE 10 2011 009 306 in Germany was filed and further patent applications in other countries shall be filed.

WHEREAS the Company

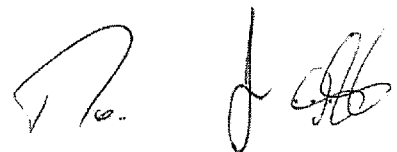

WESTFALIA-Automotive GmbH
Am Sandberg 45
33378 Rheda-Wiedenbrück
Germany

- hereinafter called "Assignee"-

is desirous of acquiring the entire right, title and interest in and to said invention and in and to any patent or Letters Patent that may be filed or granted therefor in Germany and other countries of the world, including Australia and New Zealand.

NOW, THEREFORE, we, the Assignors, do herewith assign and transfer to said Assignee our full and exclusive right to said invention worldwide and our entire right, title and interest in and to said invention and said patent application, including the priority right of said patent application, and any and all patent or Letters Patent which may be granted therefor in Germany or other countries.

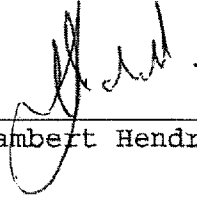

We, the Assignors, will undersign any further assignment document for said invention if necessary.

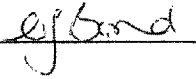

We, the Assignors, hereby authorize and request the Patent Office Officials in Germany or in other countries for which the Assignee applies for a patent for the above-mentioned invention to issue any and all of said patent or Letters Patent, when granted, to said Assignee for the sole use and behoof of the said Assignee, its successors and assigns.

The Assignee accepts the above-mentioned transfer and assignment of the above-mentioned rights.
