ASSIGNMENT

This Assignment ("Agreement") is entered into on December 3, 2013, by and between ActiveFirePrevention, LLC, a Utah limited liability company ("Assignor"), and Fire Avert, LLC, a Utah limited liability company ("Assignee").

WHEREAS, Assignor is the owner of all right, title, goodwill, and interest in and to: (a) the trademarks identified on Exhibit A attached hereto (the "Trademarks"), and owns all right, title, and interest in and to the trademark applications identified on Exhibit A attached hereto and incorporated herein (the "Trademark Applications"); (b) U.S. Provisional Patent Application No. 13/603,194, filed September 4, 2012, and titled SAFETY SHUT-OFF DEVICE AND METHOD OF USE (the "Patent Application"); (c) any and all improvements that are disclosed in the Patent Application (the "Improvements"); and (d)(i) all reissue, reexamination, continuing, divisional, substitute, renewal and all other applications for patent or the legal equivalent thereto that have been or may be filed in the United States and all foreign countries relating to any and all of the Improvements; (ii) the rights to file foreign applications directly or under the provisions of any convention or treaty and to claim priority based on the Patent Application; and (iii) all original, reexamined and reissued patents that have been or shall be issued in the United States and all foreign countries on any and all of the Improvements (the rights identified in clauses (d)(i), (ii) and (iii) above, collectively, the "Patent Rights"); and

WHEREAS, Assignee desires to acquire the entire right, title and interest in and to the Trademarks, Trademark Applications, Patent, the Improvements and the Patent Rights.

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, Assignor does hereby:

SELL, ASSIGN AND TRANSFER to Assignee the entire right, title and interest in and to the Trademarks, Trademark Applications, Patent Application, the Improvements and the Patent Rights "AS-IS";

AUTHORIZE Assignee to apply for and receive any and all United States and foreign patents and legal equivalents thereto to the Improvements in Assignee's own name;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents and legal equivalents thereto granted on the Improvements to and in the name of Assignee;

WARRANT AND COVENANT that no assignment, grant, security interest, license or other agreement or encumbrance affecting the rights and property herein conveyed has been or will be made or entered into by Assignor, and that the full right to convey the same as herein expressed is possessed by Assignor;

COVENANT, when requested and at the expense of Assignee, to carry out in good faith the intent and purpose of this Agreement, to execute all reissue, reexamination, continuing, divisional, substitute, renewal and all other applications for patent or legal equivalent thereto relating to any and all of the Improvements; to execute all rightful oaths, declarations, assignments, powers of attorney and other papers; to communicate to Assignee all facts and to provide to Assignee all documents and things known and accessible to Assignor relating to the Trademarks, Trademark Applications, Patent Application, the Improvements, the Patent Rights and the histories thereof, and testify as to the same in any interference, litigation or other proceeding relating thereto; and generally do everything possible that Assignee shall consider desirable for vesting title to the Trademarks, Trademark Applications, Patent Application, the Improvements and the Patent Rights in Assignee, and to secure, maintain, defend and enforce valid and enforceable protection for the Improvements; and

AGREE AND ACKNOWLEDGE that the sale, assignment and transfer of rights and property set forth herein is and shall be irrevocable and binding upon the assigns, successors and legal representatives of Assignor and extend to the assigns, successors and nominees of Assignee.

DATED this 3rd day of December, 2013.
