Affidavit Under MPEP § 323.01(b) and
Statement under 37 CFR § 3.73(c)

Title of Invention: See attached Appendix

App. No.: See attached Appendix

Filing Date: See attached Appendix

Patent No.: See attached Appendix

Issue Date: See attached Appendix

Inventor(s): See attached Appendix

1. Palm, Inc. ("Assignee") is the owner of the entire right, title, and interest in and to the above-captioned application by virtue of a chain of title from the inventors to Palm, Inc. (full chain of title listed on the attached Appendix).

2. Assignee Palm, Inc. ("Palm") hereby grants written consent to correct the original Assignment from the inventors to Palm, Inc. to show Palm as a corporation of the state of Delaware rather than the currently indicated (and incorrect) state of California.

3. The error in listing the state of incorporation for Palm, Inc. as California was a typographical error, and was made without deceptive intent.

4. Locating all original inventors and obtaining additional signatures on a corrected assignment is not reasonably feasible and an attempt to do so would likely create an undue burden on Assignee. In accordance with the provisions of MPEP 323.01(b), Assignee submits that in view of the original assignors not being available to correct an original document or execute a new one, Assignee is entitled to submit an affidavit or declaration in which the Assignee identifies the error and requests correction. The error is stated herein and a corrected copy of the original Assignment document along with original recordation documents are submitted herewith.

5. The undersigned is a duly authorized officer of Palm, Inc. and is empowered to act on behalf of Palm, Inc. in this matter, as indicated below.

6. The statements I have made above are, to the best of my knowledge, true and complete. I make these statements under the pain and penalty of perjury.
