## A S S I G N M E N T

WHEREAS, I, SAMIRAH A. GOMES (hereinafter "Assignor"), am an inventor of a certain new and useful invention as set forth and disclosed in an application for United States Letters Patent entitled GHRH AGONISTS FOR THE TREATMENT OF ISCHEMIC DISORDERS, the applications of which were filed with the United States Patent and Trademark Office on December 23, 2013 as U.S. Patent Application Serial No. 14/138,391 and PCT Application No. PCT/US2013/077453, which claim priority to U.S. Provisional Application No. 61/745,051 filed December 21, 2012 and U.S. Provisional Application No. 61/892,963 filed October 18, 2013 (hereinafter referred to as the "Invention").

WHEREAS, THE UNIVERSITY OF MIAMI, having an address of 1400 NW 10th Avenue, 12th Floor, Miami, FL 33136, having an address of 810 Vermont Avenue NW, Washington, DC 20420 (hereinafter referred to "Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries that may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors, and assigns, his entire right, title and interest in and to said Invention as set forth in the above-mentioned application, including any applications which claim priority to the above referenced application, any applications to which the above referenced applications claim priority, and any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said Invention;

UPON SAID CONSIDERATION, Assignor shall not execute any writing or do any act whatsoever conflicting with the terms and conditions of this Assignment, and that Assignor will, at any time upon request, without further or additional consideration, but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect Assignee's enjoyment of this grant, and render all necessary assistance in making application for or obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said Invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any and all proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the assigns and legal representatives of Assignor and Assignee;

**The undersigned hereby grant(s) the firm of PEPPER HAMILTON LLP the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.**
