## ASSIGNMENT

WHEREAS, We, Jin-Jie Lin, residing in Livermore, CA, and Timothy S. Ellis, residing in Thousand Oaks, CA, all citizens of the United States of America, have jointly made an invention entitled Anchor Bolt Locator, Attorney's Docket No. SST-1733, for which an application for Letters Patent of the United States of America was filed on July 29, 2011, and received Application Serial No. 13/194,805;

WHEREAS, SIMPSON STRONG-TIE COMPANY, INC., a corporation of California having its principal office at 5956 W. Las Positas Blvd., Pleasanton, CA 94588, is desirous of acquiring the entire right, title and interest in, to and under said invention and the United States Letters Patent to be obtained therefore;

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, we, the said Jin-Jie Lin and Timothy S. Ellis, by these presents do sell, assign and transfer unto said SIMPSON STRONG-TIE COMPANY, INC., its successors and assigns, the entire right, title and interest in and to the said invention and any improvements, said application, and in and to any division, continuation or continuation-in-part, of said application, and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made;

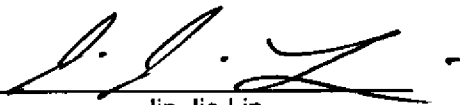

We hereby covenant that no assignment, sale, agreement or encumbrance has been made or entered into which would conflict with this assignment and sale;

We do further agree for ourselves and for our heirs, executors and administrators to execute and deliver without further consideration but at the expense of SIMPSON STRONG-TIE COMPANY, INC., any further applications, assignments and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by the said SIMPSON STRONG-TIE COMPANY, INC., its successors, assigns, and nominees, fully to secure its interests as aforesaid and to obtain or maintain Letters Patent in any and all countries;
