the Assignor(s) hereby sell, assign, and set over to:

Name of Assignee FIJI SYSTEMS, INC., formerly known as FIJI SYSTEMS LLC

Address of Principal Business 19039 Auten Rd.
South Bend, IN 46637

Insert State/ Country of Formation Indiana, United States of America
(if applicable)
or "Not Applicable"

(hereinafter designated as the Assignee) their entire right, title and interest in, to and under the Applications, including all priority rights for the United States and other countries arising therefrom including Canada and Mexico, all inventions therein disclosed, and any and all Letters Patent of the United States and of all other countries, which may be granted for such inventions, or any of them, any divisional, continuation, continuation-in-part, or reissue applications corresponding to the Applications or such Letters Patent, and any reexamination of the

Applications of such Letters Patent, and any foreign patents or patent applications corresponding thereto, all such inventions and all rights in such Applications and Letters Patent to be held and enjoyed by Assignee for its own use and enjoyment to the full end of the term or terms for which such Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by them had this assignment and sale not been made.

The Assignor(s) agree to, without royalty or other consideration, execute all papers and perform all acts which Assignee may deem necessary or expedient in connection with:

- (a) the applications in the United States and foreign countries and any continuing, divisional, or reissue applications thereof, and any reexamination of any of such applications, and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient;
- (b) any interference which may be declared or litigation concerning the application(s) or continuation, continuation-in-part, divisional, reissue or reexamination thereof, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such Interference or litigation;
- (c) claims or provisions of the International Convention for Protection of Industrial Property or similar agreements; and
- (d) securement of the grant of Letters Patent to Assignee or its nominees, in the United States and in all other countries where Assignee may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by Assignee and to vest and confirm in Assignee or its nominees the full and complete legal and equitable title to all such Letters Patent.

Right to Convey. The Assignor(s) hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said Applications or any division or continuing or reissue applications thereof, and any reexamination of any of such applications, to the said Assignee, as Assignee of the entire interest, and hereby covenants that the Assignors have full right to convey the interest herein assigned, and that the Assignors have not executed, and will not execute, any agreement in conflict herewith.

Further Identification. The Assignor(s) hereby grant the attorney of record the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

Governing Law; Choice of Forum. This agreement shall be interpreted and enforced in accordance with the laws of the State of Indiana, without giving effect to any choice-of-law or conflict-of-law principle that would cause the application of the substantive law of any jurisdiction other than Indiana. The parties agree that any legal action relating to this agreement shall be commenced and maintained exclusively before any appropriate state court of record in Indiana, or in the United States District Court for the Southern District of Indiana, Indianapolis Division; further, the parties hereby irrevocably submit to the jurisdiction and venue of such

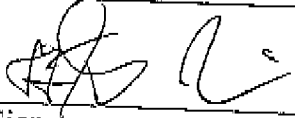

courts and waive any right to challenge or otherwise object to personal jurisdiction or venue in any action commenced or maintained in such courts.

Successors and Assigns. The Assignee shall have the right to assign this agreement. This agreement shall inure to the benefit of, and may be enforced by, any and all successors and assigns of the Assignee, including without limitation by asset assignment, stock sale, merger, consolidation or other corporate reorganization, and shall be binding on Assignor(s), Assignor(s)' executors, administrators, personal representatives or other successors in interest.

Counterparts. This agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the inventor(s) have executed this agreement as follows:

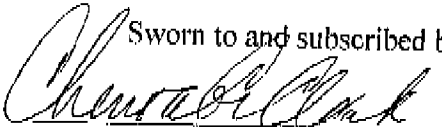

I have executed this assignment this 24 day of December, 2013.
