ASSIGNMENT

Whereas Eco-Block International Limited, of Hong Kong, is the owner of the entire right, title, and interest in U.S. Patent No. 8,286,563, entitled Pallet, issued October 16, 2012, as evidenced by an Assignment executed July 3, 2009, by the sole inventor to Eco-Block International Limited,

Now, therefore, for good and valuable consideration, the receipt and adequacy of which is acknowledged, Eco-Block International Limited has agreed to assign and transfer and does hereby assign and transfer unto Low Eng Choon ("assignee"), an individual of Singapore, having an address of Blk 143, Jalan Bukit Merah, #05-1138, Singapore 160143, successors and assigns, the entire right, title, and interest in and to the said invention and application, and in and to any division or continuation (in whole or in part) of said application, and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon the said invention or improvements thereon, to be held and enjoyed as fully exclusively as they would have been by us or any of us had this assignment and transfer not been made;

We do further agree to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by assignee, successors, assigns, and nominees, to fully secure his right, title, and interest as aforesaid and to obtain or maintain Letters Patent;

And we do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications to the assignee of the entire right, title, and interest therein.

In witness whereof, we have hereunto signed on the day and year set forth below.
