ASSIGNMENT

WHEREAS, I, Mamadou Diallo, a citizen of Senegal, residing at 280 South Euclid Ave., Apt. 105, Pasadena, California 91101, have invented a “**Soluble Anion Exchangers From Hyperbranched Macromolecules**” for which I have executed application papers for a U.S. patent thereon, which was filed on December 17, 2010, serial no. 12/972,423; and

WHEREAS, California Institute of Technology, a California non-profit Corporation, having a place of business located at 1200 E. California Blvd., M/C 201-85, Pasadena, CA 91125, is desirous of acquiring the exclusive right, title and interest in and to said invention and in and to the Letters Patent to be granted and issued therefor in the United States of America and its territories and possessions, and all countries foreign thereto;

NOW, THEREFORE, for a valuable consideration, the receipt of which is hereby acknowledged, I, Mamadou Diallo, do sell, assign, transfer and set over unto the said California Institute of Technology, its successors and assigns, the full and exclusive right, title and interest in and to said invention, and in and to any and all Letters Patent to be granted and issued therefor, not only for, to and in the United States of America, its territories and possessions, but also for, to and in all other countries including all priority rights under the International Convention, in any or all continuation, continuation-in-part, divisional and/or converted utility and design patent applications and resulting Letters Patents; and I hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said California Institute of Technology, its successors and assigns, in accordance with this Assignment.

The undersigned hereby grant(s) the firm of Nixon Peabody LLP, P.O. Box 60610, Palo Alto, CA 94306 the power to insert on this assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
