Whereas, **e2interactive, Inc.**, a Georgia corporation **d/b/a e2Interactive, Inc.**, having a place of business at 250 Williams Street, Suite M-100, Atlanta, Georgia 30303 (hereinafter referred to as "Assignee"), desires to acquire the entire right, title and interest in and to the PATENT APPLICATIONS and inventions therein disclosed and claimed (collectively, the "PATENT APPLICATIONS AND INVENTIONS"); and

Whereas, Assignor owns the entire right, title and interest in and to the PATENT APPLICATIONS and inventions therein disclosed and claimed (collectively, the "PATENT APPLICATIONS AND INVENTIONS"), and whereas Assignor has the unrestricted right to sell, assign and transfer such PATENT APPLICATIONS AND INVENTIONS.

Assignment.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and conveys unto Assignee, its successors and assigns the Assignor's entire right, title and interest in and to the PATENT APPLICATIONS AND INVENTIONS and in and to any and all applications based thereon, all continuations, continuations-in-part, continuing prosecution applications, or divisions thereof, and all related applications and in all letters patent of the United States of America and all countries foreign thereto and reissues and extensions thereof which may be granted from the PATENT APPLICATIONS AND INVENTIONS, for the full term for which the letters patent, together with the right to claim the priority of any patent application included therein, to be held and enjoyed by the Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment and sale had not been made, subject to the non-exclusive license of U.S. Non-Provisional Patent Application 13/467,994 filed on May 09, 2012 and published under U.S. Patent Application Publication No. 20120221425, entitled "Processing Value Ascertainable Items" (pursuant to that certain License Agreement between InComm Plastic Jungle Acquisition, LLC and CardFlo, Inc., dated November 18, 2013 ("the '994 License)).

Assignor also hereby sells, assigns, transfers and conveys unto Assignee, its successors and assigns the right to sue for any and all infringement of the PATENT APPLICATIONS occurring prior to the date of this Assignment.

Assignor covenants and agrees, on its own behalf and on behalf of their successors and assigns, without further compensation, to promptly at any time upon the request of the Assignee, its successors and assigns, provide such further information and execute such further assignments and documents and do all lawful acts with respect to the PATENT APPLICATIONS AND INVENTIONS that may be necessary or desirable to perfect title in the Assignee, its successors or assigns, and to assist in obtaining patents relating to the PATENT APPLICATIONS AND INVENTIONS, or in any interference proceedings or for any divisions, continuations or continuation-in-part or other patent applications relating to or having a right of priority to the PATENT APPLICATIONS AND INVENTIONS.

Assignor covenants and agrees, on its own behalf and on behalf of its successors and assigns, without further compensation, to promptly at any time upon the request of the Assignee, its successors and assigns, provide such further information and execute such further assignments and documents and do all lawful acts with respect to the TRADEMARKS that may be necessary or desirable to perfect title in the Assignee, its successors or assigns, and to assist in obtaining protection relating to the TRADEMARKS or any derivative marks therefrom.

Assignor warrants and represents to Assignee that Assignor has the right, power, and authority to enter into this Agreement and that other than the non-exclusive licenses as set forth above, Assignor has the full and unencumbered legal and equitable title to the TRADEMARKS and has not granted any other rights in the TRADEMARKS to any other person, firm, corporation or entity.
