and described in an application filed herewith and in and to said application, and all  
divisions, renewals and continuations thereof, and all Letters Patent of the United States  
which may be granted, thereon, and all reissues and extensions thereof, and all  
applications for Letters Patent or other grants of protection of proprietary rights  
including, but not limited to, inventor's certificate, utility model, utility certificate, patent  
of importation, registration of patent and industrial design registration which may be  
filed, and which may be granted, upon said inventions in any countries or regions foreign  
to the United States, and all reissues, renewals and extensions thereof; and we hereby  
authorize and request the Commissioner for Patents and Trademarks of the United States,  
and all officials of countries or regions foreign to the United States having authority so to  
do, to issue all such Letters Patent or other grants of protection upon said inventions to  
the Assignee or to such nominees as it may designate.

AND we authorize and empower the said Assignee or nominees to invoke and claim for  
any application for such Letters Patent or other grants of protection for said inventions

filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by a convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

AND we hereby consent that a copy of this assignment shall be deemed a full and formal equivalent of any assignment, consent to file or like document which may be required in any country or region for any purpose and more particularly in proof of the right of the said Assignee or nominees to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

AND we hereby covenant that we have the full right to convey the entire right, title and interest herein assigned and that we have not executed and will not execute any agreement in conflict herewith.

AND we hereby covenant and agree that we will communicate to said Assignee or nominees all facts known to us pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and declarations and in general perform all lawful acts necessary or proper to aid said Assignee or nominees in obtaining, maintaining and enforcing all lawful patent or other grants of protection of said inventions in any and all countries and regions.
