## ASSIGNMENT OF PATENT

FOR GOOD AND VALUABLE CONSIDERATION,

The receipt of which is hereby expressly acknowledged, the undersigned do hereby agree to assign and do hereby sell, assign and transfer unto **CABLZ, INC.** ("Assignee"), a corporation organized under the laws of the State of Alabama, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries, including all claims for infringement thereof, all past and future damages thereof, in and to certain patents, and inventions relating to

### EYE WEAR RETENTION DEVICE

as described in U.S. Non-Provisional Patent No. 8,366,268 entitled Eye Wear Retention Device issued on February 5, 2013, and the invention(s) and improvement(s) set forth therein, any and all continuations, continuations-in-part, divisionals, and renewals of and substitutes for said patent and their equivalents in foreign jurisdictions, including patent applications filed in foreign jurisdictions or under any international convention, all applications claiming priority to or the benefit of any of the foregoing (specifically including any Patent Cooperation Treaty Applications and any national phase filing thereof), and all the rights and privileges under any and all Patent that may be granted therefore in any country, and any reissues, or reexaminations, or extensions of patent granted from any of the above and their equivalents in foreign jurisdictions.

I agree that, when requested, I will, without charge to said Assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

I authorize and empower said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

I covenant with said Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that I have full right to convey the same as herein expressed.

I hereby authorize the attorneys associated with Customer Number 23378 to insert all the application serial numbers for any and all applications and/or patents claiming benefit of or priority to U.S. Non-Provisional Patent No. 8,366,268.

This assignment is effective as of February 5, 2013.

IN WITNESS WHEREOF, I have hereunto signed on the day and year set forth below.

Ronald Wade Williams, Inventor

On this 14<sup>th</sup> day of January, 2014, before me personally came the above named **Ronald Wade Williams**, who is personally known or proved to me on the basis of satisfactory evidence to be the same individual who executed the foregoing assignment, and who acknowledged to me that he executed the same of his own free will for the use and purposes therein set forth.
