Office of the President

January 13, 2014

To Whom it May Concern:

The Medical College of Wisconsin Research Foundation, Inc. (MCW Research Foundation) was created as a 501(c)(3) corporation in 1984 for the purpose of funding and supporting research and educational programs and activities of The Medical College of Wisconsin, Inc. (MCW). Effective June 30, 2007, all the assets and intellectual property rights, title and interest previously vested in and assigned to MCWRF were assigned to MCW. Also effective this date, all roles and responsibilities of MCWRF were assumed by MCW, which arrangement continues to the present day. MCW maintained the 501(c)(3) corporation for several years to determine if it could be repurposed; however, the MCW Research Foundation was dissolved on September 8, 2011. Any references to the MCW Research Foundation are now deemed to refer to MCW.
