**ASSIGNMENT**

THIS ASSIGNMENT, made by us, **Patrick Alexander Reynolds**, a citizen of the United States of America, residing at 2003 E. Maxwell St., Pensacola, Florida 32503; **John Branson Bley**, a citizen of the United States of America, residing at 3708 Sunningdale, Durham, North Carolina 27707; **David William Irwin**, a citizen of the United States of America, residing at 104 Redfern Dr., Cary, North Carolina 27518; **Aydan R. Yumerefendi**, a citizen of the United States of America, residing at 4211 Lambeth Drive, Raleigh, North Carolina 27609; and **Glenn Thomas Nethercutt**, a citizen of the United States of America, residing at 5309 Fairmead Circle, Raleigh, North Carolina 27613;

WITNESSETH: That,

WHEREAS, we are joint inventors of certain new and useful improvements in **METHODS AND COMPUTER PROGRAM PRODUCTS FOR TRANSACTION RELATIONSHIPS BETWEEN APPLICATION SERVERS** for which an application for United States Letters Patent was filed in the United States Patent and Trademark Office on **March 15, 2013** as Application No. **13/839,181**;

WHEREAS, **BlueStripe Software, Inc.**, a North Carolina corporation having a principal place of business at 2803 Slater Road, Suite 125, Morrisville, North Carolina 27560, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in said application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and by these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and provisional application, and in and to any and all subsequent patent applications which claim the benefit of priority from said provisional application including regular utility, continuations, and continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted for the invention in or on applications claiming the benefit of priority from said provisional application, for the full end of the term for which said Letters Patent may be granted

along with any term extensions thereof or therefor, together with the right to claim the benefit of priority from said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

We further covenant and agree that, at the time of the execution and delivery of these presents, we possess full title to the invention and provisional application above-mentioned, and that we have the unencumbered right and authority to make this assignment.

We further covenant and agree to promptly communicate to said assignee or its representatives any facts known to us relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said assignee, its successors, assigns, and other legal representatives; and we hereby instruct, and further covenant and agree to bind our heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of said assignee or its representatives.
