**Declaration and Assignment for Utility or  
Design Patent Application**

The title of this invention is:

**FACETED BUMPER FOR FASTENER DRIVER**

---

**I. Declaration**

As a below named inventor, I/we hereby declare that this declaration is directed to:

( ) the attached application,

OR

(X) United States application or PCT international application  
number 29/472,997 filed on November 18, 2013  
and was amended on (MM/DD/YYYY) \_\_\_\_\_  
(if applicable).

**A. Compliance with the Leahy-Smith America Invents Act**

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.

**B. Compliance for U.S. applications and PCT applications designating the U.S. filed before September 16, 2012**

I/we believe that I/we am/are the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought.

I/we have reviewed and understand the contents of the above-identified application, including the claims, as amended by any amendment specifically referred to above.

I/we acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me/us to be material to patentability as defined in 37 CFR § 1.56,

including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

All statements made herein of my/our own knowledge are true, all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
