ASSIGNMENT

WHEREAS, DMI Acquisition Corp., a Delaware corporation (“DMI”), owns, by assignment, all right, title, and interest in the patents and applications set forth in Attachment A to this Assignment (“PATENTS”).

WHEREAS, Ampio Pharmaceuticals, Inc., a Delaware corporation (“AMPIO”), desires to own DMI’s entire right, title, and interest in and to the inventions described and claimed in the Patents, in all countries throughout the world.

NOW THEREFORE, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, DMI hereby sells, assigns, transfers, and sets over to AMPIO, its lawful successors and assigns, DMI’s entire right, title, and interest in and to the PATENTS, the inventions claimed therein, for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty, and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and all Letters Patent of the United States that may be granted thereon, and all reissues, reexaminations, and extensions thereof; and all rights to claim priority on the basis of such application, and all applications for Letters Patent that may be filed for the invention in any foreign country and all Letters Patent that may be granted on the invention in any foreign country, and all extensions, renewals, and reissues thereof; and DMI hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to AMPIO, its successors and assigns, in accordance with the terms of this Assignment;

AND, DMI HEREBY further covenants that DMI has the full right to convey the interest assigned by this Assignment, DMI will take all action and execute all documents necessary to perfect the interest assigned hereby, and DMI has not executed and will not execute any agreement in conflict with this Assignment.
