ASSIGNMENT

I, **Robert C. Thistle**, residing at 35 Laurie Lane, Bridgewater, Massachusetts 02021 (hereinafter referred to as Assignor), and in consideration of One Dollar and other valuable consideration paid to me by

DEPUY MITEK, LLC

a Limited Liability corporation organized under and pursuant to the laws of Massachusetts, having its principal place of business at 325 Paramount Drive, Raynham, MA 02767 (hereinafter referred to as Assignee), do hereby sell, assign and transfer unto said

DEPUY MITEK, LLC

its successors and assigns, my entire interest for the United States of America and all foreign countries including all rights of priority under the International Convention for the Protection of Industrial Property in a certain invention or improvement in

TISSUE SHAVING DEVICE HAVING A FLUID REMOVAL PATH

described in U.S. patent Application Serial No. 14/103,200 filed on **December 11, 2013**, in the United States Patent and Trademark Office, and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said invention, or any parts thereof, or on said application, or any divisional, continuing, reissue or other applications based in whole or in part thereon. And we agree, for myself and my executors and administrators, with said company and its successors and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, deed or other instrument, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to said company, with specifications and claims in such form as shall be approved by the counsel of said company and to vest and confirm in said company, its successors and assigns, the legal title to all such patents.

And we do hereby authorize and request the Commissioner for Patents and Trademarks of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said company, its successors and assigns.
