ASSIGNMENT

WHEREAS I, **James William Hermann**, of Franklin, Wisconsin, has made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled **METHOD AND SYSTEM FOR DEVELOPING AND DELIVERING A THERAPEUTIC MEAL PLAN PROGRAM** for which an application for United States Letters Patent was filed on June 4, 2008, and identified as United States, Application Serial No. 12/133,025; and

WHEREAS, **TherapEase Cuisine, Inc.**, a corporation of the State of Wisconsin, and having an address of 5005 Loomis Road, Suite 200, Greenfield, Wisconsin 53220, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor.

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, I, **James William Hermann**, do hereby sell, assign, transfer and set over unto **TherapEase Cuisine, Inc.**, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application and any modifications and/or improvements therefor (hereinafter "invention"), any patent applications in the United States and foreign countries, and any original applications, formal applications, continuation applications, continuations-in-part applications, request for continued examination applications, divisional applications, reissue applications, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention, and all rights to claim priority therefrom and/or thereto; and any copyright or designs associated with or in said invention, and all rights of action and damages for any past, present or future infringement relating thereto, including all rights of actions and damages from publication of the patent applications and/or issuance of any patent relating thereto;

UPON SAID CONSIDERATIONS, I, **James William Hermann**, hereby agrees with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that he will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee; and

ASSIGNMENT

WHEREAS I, **Vivian Marie Roe**, of St. Francis, Wisconsin, has made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled **METHOD AND SYSTEM FOR DEVELOPING AND DELIVERING A THERAPEUTIC MEAL PLAN PROGRAM** for which an application for United States Letters Patent was filed on June 4, 2008, and identified as United States, Application Serial No. 12/133,025; and

WHEREAS, **TherapEase Cuisine, Inc.**, a corporation of the State of Wisconsin, and having an address of 5005 Loomis Road, Suite 200, Greenfield, Wisconsin 53220, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor.

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged I, **Vivian Marie Roe**, do hereby sell, assign, transfer and set over unto **TherapEase Cuisine, Inc.**, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application and any modifications and/or improvements therefor (hereinafter "invention"), any patent applications in the United States and foreign countries, and any original applications, formal applications, continuation applications, continuations-in-part applications, request for continued examination applications, divisional applications, reissue applications, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention, and all rights to claim priority therefrom and/or thereto; and any copyright or designs associated with or in said invention, and all rights of action and damages for any past, present or future infringement relating thereto, including all rights of actions and damages from publication of the patent applications and/or issuance of any patent relating thereto;

UPON SAID CONSIDERATIONS, I, **Vivian Marie Roe**, hereby agrees with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that she will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee; and

I, **Vivian Marie Roe**, request the Commissioner for Patents to issue any Letters Patent of the United States which may be issued for said invention to said **TherapEase Cuisine, Inc.**, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent(s) and the invention covered thereby.
