As the below-named inventor, I hereby declare that:

This declaration is directed to:

☐ the attached application, or
☒ United States Application or PCT International Application No. 14/049,667
filed on October 9, 2013

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in this application.

WHEREAS, Cosco Management, Inc.
a Delaware corporation (hereinafter referred to as "ASSIGNEE"), having a place of business at
300 Delaware Avenue, Suite 1285, Wilmington, Delaware 19801
is desirous of acquiring the entire right, title, and interest in and to the above-referenced application and any inventions disclosed therein
("the INVENTION") and in and to any Letters Patent that may be granted therefrom in the United States and its territorial possessions and
in any and all foreign countries;

NOW, THEREFORE, for good and valuable consideration, the sufficiency of which is acknowledged, I hereby sell, assign, and set over to
ASSIGNEE, the full and exclusive right to the invention in the United States and its territorial possessions and in all foreign countries
(including the right to claim priority under the terms of the International Convention and other relevant International Treaties and
Arrangements from the application) and the entire right, title, and interest in and to any and all Letters Patent which may be granted
therefrom in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions,
reissues, continuations, substitutions, and renewals thereof.

I hereby authorize and request the Patent Office officials in the United States and its territorial possessions and any and all foreign countries
to issue any and all of said Letters Patent, when granted, to ASSIGNEE as the assignee of my entire right, title, and interest in and to the
same, for the sole use and benefit of ASSIGNEE, its successors and assigns, to the full end of the term for which said Letters Patent may be
granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made and hereby covenants
that I have full right to convey the interest herein assigned, and that the undersigned has not executed, and will not execute, any agreement
in conflict herewith.

Further, I agree that I will communicate to ASSIGNEE or its representatives any facts known to me respecting the INVENTION and will
testify in any legal proceeding, cooperate in every way possible in obtaining evidence, sign all lawful papers, execute all divisional,
continuation, substitute, renewal, and reissue applications, execute all necessary assignment papers to cause any and all of the Letters
Patent to be issued to ASSIGNEE, make all rightful oaths, and generally do everything possible to aid ASSIGNEE, its successors and
assigns, to obtain and enforce proper protection for the INVENTION in the United States and its territorial possessions and in any and all
foreign countries.

I hereby grant the attorney of record the power to insert on this assignment any further identification which may be necessary or desirable
in order to comply with the rules of the United States Patent and Trademark Office for recordation of this assignment.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment
of not more than five (5) years, or both.
