ASSIGNMENT

WHEREAS We, the below named inventors, [hereinafter referred to as Assignors], have made an invention entitled:

PISTON WITH REPLACEABLE AND/OR ADJUSTABLE SURFACES

for which We filed a PCT International Patent Application under the Patent Cooperation Treaty (PCT); No. PCT/US2012/049324, filed August 2, 2012.

WHEREAS, LOBEPRO, INC., a corporation of Florida whose post office address is 2610 Sidney Lanier Drive, Brunswick, GA 31525 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to an application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) in hand paid and other good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, We, as Assignors, have sold, assigned, transferred, and set over and do hereby sell, assign, transfer and set over unto the Assignee, its lawful successors and assigns, our entire right, title and interest in and to this invention, U.S. provisional application No. 61/514,687 filed August 3, 2011, and U.S. provisional application No. 61/526,512 filed August 29, 2011, and this application, all U.S. applications and all divisions and continuations thereof and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority in any foreign country on the basis of the above provisional applications, and all rights to claim priority on the basis of this application in any foreign country and all applications for Patent which may hereafter be filed for this invention in any foreign country and all Patents which may be granted on this invention in any foreign country and all divisions, reissues, registrations and extensions thereof. We hereby authorize and request those officials, whose duty it is to issue Patents on applications as described above, to issue all Patents for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment; and We have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, I/We have hereunto set our hands.
