## ASSIGNMENT

WHEREAS, I, Per Hjalmarsson (the "Assignor"), have made a design entitled "Ladder pack", described in an application (hereinafter the Application) and executed and filed in the United States Patent Trademark Office on May 9, 2011 as Application number 29/373,679.

WHEREAS, TwoPac AB, a corporation duly organized and existing under the laws of the Country of Sweden and having a place of business at Per Håkansson's väg 36, S-24138 Eslöv, Sweden, for the benefit of itself, its successors and assigns, (the "Assignee"), is desirous of acquiring my entire right, title and interest in the design, all designs disclosed in the Application or any other application claiming priority from the Application and any and all Design Patents of the United States and of all other countries including any continuation, divisional, extension, re-examination, renewal and reissue thereof which may be granted on thereon (the "Design Patents");

NOW THEREFORE, for good and valuable consideration paid to the Assignor by the Assignee, the receipt of which is hereby acknowledged, the Assignor does hereby sell, assign and transfer to the Assignee the entire right, title and interest in and to the design, all designs disclosed in the Application and the Design Patents;

TO HAVE, HOLD AND ENJOY the design, all designs disclosed in the Application and the Design Patents assigned hereby to the Assignee for its own use and benefit to the end of the term or terms for which the Design Patent may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor had this assignment not been made.

THE ASSIGNOR HEREBY authorizes and requests the Commissioner in The United States Patent Trademark Office and the appropriate officers of all foreign patent offices to issue the Patents to the Assignee in accordance with the terms of this instrument.

THE ASSIGNOR HEREBY further agrees to execute and sign without further consideration any other legal document, assignment and any divisional, continuation, extension, re-examination, renewal, reissue, or other application in and for all design patents that may be appropriate and may be deemed necessary by the Assignee fully to secure to the Assignee its interests as aforesaid in the design, all designs disclosed in the Application and the Design Patents.

THE ASSIGNOR further covenants and agrees that it will at any time upon request communicate to the Assignee or its legal representative, any facts known to it relating to the design, all designs disclosed in the Application and the Design Patents and will testify truthfully as to the same in any interference, litigation or any other proceeding related thereto when requested to do so.

AND THE ASSIGNOR does hereby covenant for the Assignor and its legal representatives that it has not assigned or granted any license to make, use or sell the design and that it will not purport to assign, license or execute any instrument to that effect in conflict with this assignment.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the date set forth below:
