ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, do hereby:

SELL, ASSIGN AND TRANSFER to **SATISLOH AG** (the "Assignee"), having a place of business at **Neuhofstrasse 12, CH-6340 Barr, Switzerland**, the entire right, title and interest for the United States and all foreign countries in and to any and all improvements which are disclosed in the application for United States Letters Patent, Serial no. 14/234,349 which has been filed on January 22, 2014 and is entitled "**Optical article comprising a surfactant-based temporary antifog coating with an improved durability**", which is a national phase application under 35 U.S.C. § 371 of international application No. **PCT/EP2012/062620**, which claims priorities to **FR 1156704 of July 22, 2011** and **PCT/EP2011/063635 of August 8, 2011**, such application and all divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of such improvements, all original and reissued patents which have been or shall be issued in the United States and all foreign countries on such improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of the assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to such improvements in the Assignee, and for securing, maintaining and enforcing proper patent prosecution for such improvements;

Cas 1425

TO BE BINDING on the heirs, assigns representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
