**ASSIGNMENT**

For valuable consideration, the receipt of which is hereby acknowledged by me, the undersigned, hereinafter referred to as Assignor, does hereby sell and assign to One Medical, Inc., a company incorporated and existing under the laws of Maryland, having its principal place of business at 11211 Marwood Hill Drive, Potomac, MD 20854, its successors, assigns, nominees, or other legal representatives the entire right, title, and interest in and to:

**SYSTEM AND METHODS FOR AN INTELLIGENT MEDICAL PRACTICE SYSTEM  
EMPLOYING A LEARNING KNOWLEDGE BASE**

invented by me/us along with United States Patent application Serial No. 13/205,564 filed August 8, 2011 therefor, executed concurrently herewith, and all original and reissued patents granted therefor, and all divisions and continuations thereof, including the subject matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain patents, Utility Model Registrations, and Inventor's Certificates in countries foreign to the United States, and in and to any Letters Patent, Utility Model Registration, or Inventor's Certificate which may be granted thereon in such foreign countries, including all priority rights under the International Convention associated therewith for each country of the Union, and authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue the said Letters Patent, Utility Model Registration, or Inventor's Certificate to the said One Medical, Inc., its successors, assigns, nominees, or other legal representatives, as assignee of the entire interest, and covenant that I have full right to convey the entire interest herein assigned and that I have not executed and will not execute any agreement in conflict herewith, and agree that I will communicate to said Corporation, its successors, assigns, nominees, or other legal representatives, all facts known to me respecting said invention, whenever requested, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for the application for such divisional, continuing, or reissue applications, or the procuring thereof, and that if and when said One Medical, Inc., its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, I/we will, upon request, sign all lawful papers requisite for the filing of such disclaimer, and I/we further covenant and agree that I/we will, at any time upon request, do everything legally possible to aid said Corporation, its successors, assigns, nominees, or other legal representatives, either in its or their own name, to apply for, obtain, and enforce patent, Utility Model, and/or Inventor's Certificate protection for said improvements in all countries, all without further consideration but at the expense of said One Medical, Inc., its successors, assigns, nominees, or other legal representatives.
