ASSIGNMENT

WHEREAS, We, Zahra Nazarpour and Stephen J. Golden (hereinafter referred to as Assignors), of Camarillo, California, and Santa Barbara, California, respectively, are the named inventors on the U.S. Utility Patent Applications identified in Schedule A (hereinafter referred to as the "Intellectual Property"), and by virtue of being the named inventor, have an ownership interest in the Intellectual Property and any and all inventions disclosed therein; and

WHEREAS, Clean Diesel Technology Inc (CDTi), a corporation organized under and pursuant to the laws of Delaware, having a place of business at 4567 Telephone Road, Suite 100, Ventura, CA 93003 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title, and interest in and to the Intellectual Property, including in and to all inventions disclosed therein and any and all Letters Patent granted or issued therefrom, or claiming priority thereto, in the United States of America and its territories and possessions, and in all countries foreign thereto.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the said Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to the said Assignee, the entire right, title and interest for the United States of America and all other countries in and to said applications for all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefore in the United States of America and all other countries on the attached list of Schedule A, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on Schedule A to said assignee herein, as assignee of the entire interest therein; and the undersigned for itself and its legal representatives, heirs and assigns does hereby agree and covenant without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue and other applications for Letters Patent and all assignments thereof to said assignee or its assigns, to communicate to said assignee or its representatives all facts known to the undersigned respecting said invention listed on Schedule A whenever requested, to testify in any interferences or other legal proceedings in which said application or patent may become involved, to sign all lawful papers, make all rightful oaths, and do generally everything necessary to aid assignee, its successors, assigns and nominees to obtain patent protection for said invention listed on Schedule A in the

United States of America and all other countries, the expenses incident to said application listed on Schedule A to be borne and paid by said assignee.

AND Assignors hereby request and authorize the Commissioner of Patents to issue said Letters Patent to Assignee, its successors, legal representatives, and assigns, in accordance with this Assignment.
