PATENT ASSIGNMENT

WHEREAS, the undersigned Thomas J. Langenfeld ("Assignor") is the inventor of an invention entitled: HYDROSTATIC TRANSMISSION (the "Invention") for which a non-provisional patent application of the United States was filed in the United States Patent and Trademark Office on August 6, 2013 and assigned Application No. 13/960,567 (the "Subject Application").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Hydro-Gear Limited Partnership ("Assignee"), a limited partnership duly organized and existing under the laws of Illinois and having its principal office and place of business at 1411 S. Hamilton Street, Sullivan, Illinois 61951, U.S.A., its successors, assigns and legal representatives, the full and exclusive right, title and interest in and to (1) the Invention together with all improvements thereon; (2) the Subject Application and all applications related thereto or arising therefrom in the United States of America or any other countries, including all applications claiming the benefit thereof or priority thereto, and all divisions, continuations, continuations-in-part, reissues, reexaminations, and substitutions of or for all such applications; and (3) all Letters Patent, Registered Designs and Utility Model Registrations which may be granted on any of the foregoing applications in the United States of America and all other countries, including all reissues and extensions thereof.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any other country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue said Letters Patent, Registered Designs and Utility Model Registrations to the Assignee, its successors, assigns, and legal representatives, as assignee of the entire right, title, and interest herein assigned.

Assignor agrees that he will, upon request and without further consideration, sign all lawful papers, make all rightful oaths, provide any information, testify in any legal proceedings and do all lawful acts to aid the Assignee, its successors, assigns, and legal representatives in the application, procurement, and enforcement of the aforesaid Letters Patent, Registered Designs or Utility Model Registrations in all countries, and to perfect title thereof in Assignee, its successors, assigns, and legal representatives. Assignor covenants that he/she has not executed and will not execute any agreement in conflict herewith.
