ASSIGNMENT

WHEREAS, We, Robby Jay Moore and Brooks Ira Davis have invented a new and useful improvement in LOW COST RUGGED PORTABLE DATA STORAGE DEVICE AND DOCKING STATION for which a non-provisional application for United States Letters Patent was filed on May 18, 2011 as Serial No. 13/068,718, and

WHEREAS, ioSafe, Inc., a Nevada corporation operating in California, hereinafter designated the "Assignee" having a principal place of business at 12760 Earhart Avenue, Auburn, California 95602, desires to acquire all rights to this invention, to the above-identified application and to any Letters Patent which may be obtained thereon.

NOW, THEREFORE, for valuable consideration received, we hereby sell, assign and transfer to said Assignee, its successors and assigns all right, title, and interest in and to said invention in the United States and in all countries throughout the world, including those in and to the above-named provisional application and any non-provisional continuation, substitute, division or reissue application thereof, and the patent or patents which may be issued thereon in the United States, in and to any application or patent in any or all other countries of the world, and the right to file further applications in all countries throughout the world;

And we hereby agree that we will upon request execute any instrument which said Assignee desires to carry this assignment into effect, and perfect the title transferred hereby, or to prosecute any of the above-mentioned United States applications or any foreign application on this invention without additional consideration but at the expense of the Assignee;

And do further covenant and agree that we will, at any time upon request, communicate to said Assignee, such facts relating to said invention and Letters Patent or the history thereof as may be known to us, and we will testify as to the same in any interference or other litigation when requested so to do without any additional consideration, but at the expense of our Assignee;

And the Commissioner of Patents of the United States is hereby authorized to issue Letters Patent on said above-named application to said Assignee.

IN TESTIMONY THEREOF, we have hereunto subscribed our names on the date listed below.
