WHEREAS, NISSAN MOTOR CO., LTD., a Japanese Corporation, located and doing business at
2, Takara-cho, Kanagawa-ku
Yokohama-shi, Kanagawa 221-0023, JAPAN,
(hereinafter **ASSIGNEE**),

is desirous of acquiring the **ASSIGNOR**'s entire right, title and interest in and to the aforementioned applications including any and all divisions or continuations and Convention applications based in whole or in part on said invention of said applications, including the right to make applications for Letters Patents throughout the world in respect to the inventions and to claim priority under the International Convention for the Protection of Industrial Property, and in and to any and all Letters Patent of any country which may issue on any such applications, including any and all reissues, reexaminations, or extensions, to be held and enjoyed by said **ASSIGNEE**, its successors, legal representatives and assigns to the full end of the term or terms for which any and all such Letters Patents may be granted as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN:

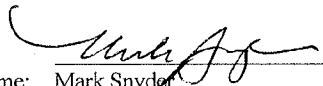

BE IT KNOWN that for and in consideration of good and valuable consideration paid to **ASSIGNOR** by said **ASSIGNEE**, the receipt and sufficiency of which is hereby acknowledged, said **ASSIGNOR**, by these presents does hereby sell, assign, set over and transfer unto the said **ASSIGNEE** its successors, legal representatives or assigns, the entire right, title and interest in and to the aforesaid applications;

AND **ASSIGNOR** HEREBY covenants that it has the full right to convey the entire right, title and interest herein assigned and that it has not executed and will not execute any assignment or other instrument in conflict herewith;

AND **ASSIGNOR** HEREBY conveys any and all claims for damages, royalties, profits, interest, costs, and fees by way of past, present and future infringements of any of the rights included above, as well as but not limited to the right to collect such damages, royalties, profits, interest, costs, and fees for infringements occurring from the date of publication of the application of the aforementioned applications to the date of issuance of the aforementioned applications, with the right, but not the obligation, to sue for and collect such damages, royalties, profits, interest, costs, and fees for said infringements of the aforementioned applications;

AND **ASSIGNOR** HEREBY further covenants and agrees to communicate to said **ASSIGNEE**, or its legal representatives, successors or assigns, any facts relating to said inventions, including evidence for interference purposes or other proceedings, whenever requested, and to testify in any interference or in any other legal proceeding, when requested, and to execute and deliver on request all lawful papers required to make any of the foregoing provisions effective; and to perform the aforesaid communicating, executing and delivering, without any payment except expenses and to perform the aforesaid testifying for reasonable compensation; and generally to do every thing possible to aid the said **ASSIGNEE**, its successors, legal representatives or assigns to obtain and enforce proper patent protection on and for said inventions in all countries, and likewise I make these provisions binding upon my heirs, legal representatives and/or administrators.

The undersigned hereby grants the firm of **Global IP Counselors, LLP** the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recordation of this Assignment.
