## ASSIGNMENT

---

WHEREAS, we, David Harrington, a citizen of the United States, residing at 3346 Darbyshire Drive, Dallas, Texas 75229, United States, and Anthony Piana, a citizen of the United States, residing at 531 Willowview Drive, Prosper, Texas 75078, United States, have invented certain inventions and improvements disclosed in a non-provisional application for Letters Patent entitled, "Top Mounted Choke For Percussion Tool", filed with the U.S. Patent and Trademark Office on November 13, 2013 and assigned U.S. Patent Application No. 14/079342; and

WHEREAS, Varel International Ind., L.P., a limited partnership having a principal place of business at 1625 W. Crosby, Suite 124, Carrollton, Texas 75006, United States, is desirous of acquiring an interest in the same.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, David Harrington and Anthony Piana, by these presents do sell, assign, and transfer to Varel International Ind., L.P., the full, exclusive, and entire right, title, and interest in and to said application, in and to any divisions, continuations, reexaminations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Director of the U.S. Patent and Trademark Office to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, reexamination, or reissue thereof, to Varel International Ind., L.P. as the assignee, for its interest and for the sole use and benefit of Varel International Ind., L.P. and its assigns and legal representatives;

For the same consideration, we by these presents, do sell, assign, and transfer to Varel International Ind., L.P. the full, exclusive, and entire right, title, and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of Varel International Ind., L.P. or its designee insofar as permitted by applicable law;

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reexamination, reissue, and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Varel International Ind., L.P., its successors,

assigns, and nominees to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
