DESIGN PATENT

Att'y. Docket No.: 3075/3 DES

ASSIGNMENT

WHEREAS, I, Yaser RIAZ, (hereinafter "Assignor"), have invented certain new and useful improvements in SOCKS for which an Application for a U.S. Design Patent was made on January 10, 2014 as U.S. Design Patent Application No. 29/479,041, claiming priority to Pakistani Design Application No. 16881-D/2013 filed on September 20, 2013 (with the foregoing U.S. and Pakistani applications collectively referred to hereinafter as "the Applications").

AND, WHEREAS, INTERLOOP LIMITED, a corporation duly organized and existing under the laws of Pakistan, having a place of business at Al-Sadiq Plaza, P-157, Railway Road, Faisalabad, 38000, PAKISTAN, (hereinafter "Assignee"), is desirous of acquiring an interest therein.

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold and by these presents does hereby sell, assign, transfer and convey unto the Assignee, its successors and assigns, the entire right, title and interest in and to the invention and the Applications, and in and to any and all foreign design patents and/or foreign applications for design registration applications filed on the invention based on or claiming priority to any one or more application of the Applications, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and Design Registrations in all foreign countries or reissues thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent and Design Registrations may be granted, together with the right to claim the priority of any one or more applications of the Applications in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely

as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor hereby requests that said Letters Patent and Design Registrations be issued in accordance with this assignment.

Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, Assignor possesses full title to the invention and the Applications as mentioned above (except as may have otherwise been assigned solely to the Assignee), and that Assignor has the unencumbered right and authority to make this assignment.

Assignor further covenants and agrees, and likewise binds Assignor's heirs, legal representatives and assigns, to promptly communicate to said Assignee or its representatives any facts known to the Assignor relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors and assigns to secure patent, design registration, or similar protection for the said invention in all countries and to vest in the Assignee complete title to the invention and said Letters Patent and Design Registrations, without further compensation, but at the expense of said Assignee, its successors, assigns and other legal representatives.

Executed this 12th day of February, 2014.
