ASSIGNMENT OF PATENT RIGHTS

The undersigned (hereinafter collectively referred to as the Assignor), in consideration of the sum of one dollar (\$ 1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby sell, assign and transfer to:

ROCHE DIAGNOSTICS OPERATIONS, INC.

(hereinafter referred to as the Assignee), of

**9115 Hague Road
Indianapolis, IN 46250**

my entire right, title and interest for the United States of America as defined in 35 U.S.C. § 100, in the invention entitled:

CO-CULTURE DEVICE ASSEMBLY

for which a nonprovisional US Patent Application was filed on December 1, 2011 (also known as United States Patent Application Serial Number 13/309,209), and for which an international patent application was filed on February 1, 2012 under the Patent Cooperation Treaty (PCT) (also known as PCT/US2012/023513), and for any and all patent applications filed in the United States of America claiming priority thereto, including any and all continuation, divisional or continuation-in-part patent applications; the right, title and interest to be held and enjoyed by the Assignee for his own use, and for his own legal representatives and assigns, for the full term for which a patent is granted.

The Assignor hereby agrees to execute all papers necessary in connection with the filing and prosecution of any patent application filed in the United States of America (including any continuation, divisional or continuation-in-part application) claiming priority to said United States Patent Application including but not limited to any declaration of inventorship, and also agrees to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The Assignor hereby agrees to execute all papers necessary in connection with any interference that may be declared concerning the application(s) or any conversion, continuing (continuation, divisional or continuation-in-part), reissue or reexamination application thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The Assignor hereby represents to have full right to convey the interest herein assigned, and has not executed, and will not execute, any agreement in conflict therewith.

The Assignor hereby grants Raymond Wagenknecht, USPTO Registration No. 50,948 of Biotech Beach Law Group PC power to insert in this assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
