| Residence<br>Address: | 29 Dewey<br>Irvine, Ca. 92620 |

hereby sell, assign, and transfer to PHOENIX TECHNOLOGIES LTD., a Delaware corporation, with an office at 411 E. Plumeria Drive, San Jose, California 95134 USA ("*Assignee*"), the full extent of all right, title, and interest in and to any and all of the following (collectively, the "*Rights*");

1. The patents, provisional patent applications and patent applications listed in the table below (individually and collectively referred to herein as the "*Patents*");
2. All inventions claimed or described in the Patents (collectively, the "*Inventions*");
3. All rights with respect to the Inventions, including all U.S. patents or other governmental grants or issuances that may be granted with respect to the Inventions or from any direct or indirect divisionals, continuations, continuations-in-part, or other patent applications claiming priority rights from the Patents ("*Potential Patents*");
4. All reissues, reexaminations, extensions, or registrations of the Patents or Potential Patents;
5. All non-United States patents, patent applications, and counterparts relating to any or all of the Inventions, the Patents, or Potential Patents, including, without limitation, certificates of invention, utility models, industrial design protection, design patent protection, and other governmental grants or issuances ("*Foreign Rights*"), and including the right to file foreign applications directly in the name of Assignee, its successors and assigns;

6. The right to claim priority rights deriving from the Patents;
7. All causes of action and remedies related to the Patents, the Inventions, Potential Patents, or Foreign Rights (including, without limitation, the right to sue for past, present, or future infringement, misappropriation or violation of rights related to any of the foregoing and the right to collect royalties and other payments under or on account of any of the foregoing); and
8. Any and all other rights and interests arising out of, in connection with, or in relation to the Patents, the Inventions, Potential Patents, or Foreign Rights.
