PATENT ASSIGNMENT

WHEREAS, I, **Gregg William Burnett**, the undersigned inventor, of 1112 Industrial Dr., Royse City, TX 75189, having invented certain new and useful improvements as disclosed and/or claimed in a patent application entitled: ***Controlling and Monitoring Indoor Air Quality (IAQ) Devices***, for which application for United States Letters Patent is made, the said application having been filed concurrently herewith; and

WHEREAS, **Dust Free, LP**, a Texas limited partnership, having a principal place of business at 1112 Industrial Dr., Royse City, TX 75189, is desirous of acquiring my entire right, title and interest in and to the said invention, and to the said application and any Letters Patent that may issue thereon in the United States and all other countries throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell and assign to the said Dust Free, LP, its successors and assigns, my entire right, title and interest in and to the said invention and in to the said application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, and extensions thereof; and I hereby authorize and request the Commissioner for Patents to issue all patents for said invention, or patent resulting therefrom, insofar as my interest is concerned, to the said Dust Free LP, as assignee of my entire right, title and interest. I declare that I have not executed and will not execute any agreement in conflict herewith.

I also hereby sell and assign to Dust Free, LP, its successors and assigns, my foreign rights to the invention disclosed in said application, in all countries of the world, including, but not limited to, the right to file applications and obtain patents under the terms of the International Convention for the Protection of Industrial Property, and of the European Patent Convention, and further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

I hereby further agree that I will communicate to said Dust Free, LP, or to its successors, assigns, and legal representatives, any facts known to me respecting said invention or the file history thereof, and at the expense of said assignee company, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications,

make all lawful oaths, and generally do everything possible to aid said Dust Free, LP, its successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

I authorize the later insertion of the nonprovisional application number and filing date hereinbelow.
