Assignment

WHEREAS, I **Samuel Zellner**, a citizen of the United States of America, residing at **2350 Fenhurst Place, City of Dunwoody, State of Georgia**, have invented certain inventions and improvements disclosed in an application entitled **Systems and Methods Employing Multiple Individual Wireless Earbuds for a Common Audio Source**, listing as inventor(s): **Samuel Zellner**;

WHEREAS, **AT&T Delaware Intellectual Property, Inc.** a Corporation of the State of Delaware, having a place of business at **824 Market Street, Suite 425, Wilmington, DE 19801**, is desirous of acquiring title in the same;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, **Samuel Zellner** do sell, assign and transfer unto **AT&T Delaware Intellectual Property, Inc.** full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in said application, (ii) in and to said application, (iii) in and to any divisional, continuation, and continuation-in-part applications describing in whole or in part said inventions and improvements, preparatory to obtaining Patents of the United States therefore, (iv) in and to all patents, reexaminations and reissues that may be granted in the United States for the aforementioned, (v) in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from such provisional patent applications or aforementioned applications; I also hereby acknowledge that an obligation for this assignment and for the assignment of all related subject matter arose before the making of the invention and improvements disclosed and described in said application; and I hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said application, or from a divisional, continuation, continuation-in-part, or reissue thereof, to, **AT&T Delaware Intellectual Property, Inc.** as Assignee, for their interest and for the sole use of **AT&T Delaware Intellectual Property, Inc.** and their assigns and legal representatives;

For the same consideration, I, do sell, assign and transfer to **AT&T Delaware Intellectual Property, Inc.** the full, exclusive and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Patents and similar protective rights granted on said foreign application, and in and to the right to claim any applicable priority rights arising from or required for said foreign application under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **AT&T Delaware Intellectual Property, Inc.** and or their respective designees, insofar as permitted by applicable law;

AND, for the same consideration, I agree to sign all lawful papers, execute all divisional, continuation, continuation-in-part, reexamination, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **AT&T Delaware Intellectual Property, Inc.** their successors, assigns,

and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
