CONFIRMATORY ASSIGNMENT

Dated this 11th day of November 2013

We, **THE UNIVERSITY OF SALFORD**, a university incorporated by Royal Charter under the number RC000666 of The Crescent, Salford, Greater Manchester, M5 4WT (the "Assignor"), being the right holders of the patent and patent applications set out in the Schedule do hereby declare that we have assigned the entire right, title and interest in the patent and patent applications as set out in the Schedule by way of an assignment agreement dated 6 November 2013 to **THE SALFORD VALVE COMPANY LIMITED**, a private company limited by shares and registered in England and under company number 3371104 and having its registered office at Suite 13, Brook House, Brook Street, Driffield, North Humberside, YO25 6QP (the "Assignee").

The Assignor further hereby consents to the procedures to be taken with the Patent Office by the Assignee in itself to record the assignment of the patent and patent applications set out in the Schedule to the Assignee.
