ASSIGNMENT

WHEREAS, D. Greg Anderson (the "Assignor"), are the owners of United States Letters Patents and related non-U.S. Letters Patents and the owners of U.S. patent applications and related non-U.S. applications set forth in Exhibit A, which is attached hereto and hereby incorporated by reference; and

WHEREAS, Innovative Surgical Designs, Inc. (the "Assignee"), a Delaware Corporation, having a place of business at 1501 E. Hillside Dr., Suite 100, Bloomington, IN 47401, is desirous of acquiring the entire right, title, and interest in and to said Letters Patents and related applications:

NOW THEREFORE, BE IT KNOWN, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell for one dollar (\$1), assign, and transfer unto said Assignee the entire right, title and interest in, to and under the Application, including all priority rights for the United States and all other countries arising therefrom, all inventions therein disclosed, and any and all Letters Patent of the United States and of all other countries, which may be granted for such inventions, or any of them, any divisional, continuation, continuation-in-part, or reissue applications corresponding to the Application or such Letters Patent, and any reexamination of the Application of such Letters Patent, and any foreign patents or patent applications corresponding thereto, all such inventions and all rights in such Application and Letters Patent to be held and enjoyed by Assignee for its own use and enjoyment to the full end of the term or terms for which such Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by them had this assignment and sale not been made.

The Assignor agrees to execute all papers necessary in connection with the application(s) in the United States and foreign countries and any continuing, divisional, or reissue applications thereof, and any reexamination of any of such applications, and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The Assignor agrees to execute all papers necessary in connection with any interference which may be declared or litigation concerning the application(s) or continuation, division, reissue or reexamination thereof, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such Interference or litigation.

The Assignor agrees to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The Assignor agrees that this assignment shall supersede the Assignment of Intellectual Property dated June 27, 2008 by D. Greg Anderson and Innovative Surgical Designs, and all the rights and obligations under the original contract are completely extinguished. A copy of the original contract is attached hereto and incorporated herein by reference.

The Assignor agrees to do all other acts which, in the opinion of Assignee, may be necessary or desirable to secure the grant of Letters Patent to Assignee or its nominees, in the United States and in all other countries where Assignee may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by Assignee and to vest and confirm in Assignee or its nominees the full and complete legal and equitable title to all such Letters Patent.

The Assignor hereby authorizes and request(s) the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said application(s) or any division or continuing or reissue applications
