ASSIGNMENT

FOR PRIORITY APPLICATION ENTERING UNITED STATES

Attorney Docket No.

C64.12-0053

WHEREAS, we, Nicholas B. Larsson of Blomkest, Minnesota, USA; Andrew E. Swienton of Plymouth, Minnesota, USA; and George I. Wakileh of Batavia, Illinois, USA (hereinafter referred to as ASSIGNORS), are the inventors of an invention described in:

- United States Provisional Patent Application being identifiable in the United States Patent and Trademark Office by Application No. 61/472,008, filed April 5, 2011;
- International application for Letters Patent filed pursuant to the Patent Cooperation Treaty and designating the United States, and being identified by Application No. PCT/US12/32320, filed on April 5, 2012;
- any United States Patent Application claiming priority from the above-identified International patent application, the United States patent application being identifiable in the United States Patent and Trademark Office by Application No. 14/009,955, filed October 4, 2013;

WHEREAS, Communications Systems, Inc. (hereinafter referred to as ASSIGNEE), a corporation organized and existing under the laws of Minnesota, and having offices at 1001 East Highway 212, Hector, Minnesota 55342, is desirous of acquiring the entire right, title and interest in and to the invention, the application and any and all Letters Patent(s) or similar legal protection, foreign or domestic, to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, we transfer to Assignee, its successors and assigns, our entire right, title and interest in and to the invention, the above-identified applications, all inventions and improvements which are disclosed in the patent applications, all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent(s) which have been or shall be filed in the United States on any of said inventions and/or improvements, all rights of priority resulting from the filing of the above-identified patent application(s), and all Letters Patents or similar legal protection issuing thereon; and we authorize the Director of the United States Patent and Trademark Office to issue the Letters Patents or similar legal protection to the Assignee.

We authorize the Assignee, its successors and assigns, to insert in this instrument the filing date and serial number of the application when ascertained.

We authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all countries.

We represent to the Assignee, its successors and assigns, that we have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. We, our executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patents or similar legal protection on the invention in any and all countries.
