ASSIGNMENT

For value received, we, Mark Rakowski, a citizen of the US, resident of the US; Jeff Gedcke, a citizen of the US, resident of the US; Jody Smith, a citizen of the US, resident of the US; Stuart Still, a citizen of the US, resident of the US; Randy Palm, a citizen of the US, resident of the US; and Hany Roman, a citizen of the US, resident of the US, hereby sell, assign and transfer to Allied Air Enterprises Inc, a corporation of Delaware, having an office at 215 Metropolitan Drive, West Columbia, South Carolina, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, in and to certain inventions related to "A FREEZE TOLERANT CONDENSATE TRAP" described in an application for Letters Patent of the United States, executed by us of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that maybe granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Allied Air Enterprises Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Allied Air Enterprises Inc. to make application for such protection in its own name and maintain such protection in any and all foreign countries to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Lennox Industries Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions by issued to Allied Air Enterprises Inc., in the United States and in all countries foreign to the United States, or to such nominees as Allied Air Enterprises Inc. may designate.

We agree that, when requested, I shall, without charge to Allied Air Enterprises Inc., but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
