ASSIGNMENT

WHEREAS, I, Jonathan J Vitello, a citizen of the United States of America, residing at 1806 N.E. 26th Avenue, Fort Lauderdale, Florida 33305, have made and/or contributed to several inventions, and have executed patent applications for Letters Patent of the United States of America based upon my inventions, as referenced in the attached Schedule, identified for clarity as "**Schedule B**," so as to be considered separate from that Assignment I have executed previously for certain patents/applications that were identified on a Schedule A.

NOW, THEREFORE, in exchange for Ten U.S. Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto Medical Device Engineering, LLC, a limited liability company of the State of Florida, having its principal office at 2881 W. McNab Road, Pompano Beach, Florida 33069, its successors and assigns, for the territory of the United States of America, and for all foreign countries, the entire right, title and interest in and to said inventions, patent applications listed in the attached Schedule B, and to any Letters Patent which may issue therefrom, and in and to any divisional, continuation or continuation-in-part of said applications, and in and to any and all Letters Patent and reissues and extensions thereof, for the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which may be granted on any of the foregoing, to be held and enjoyed as fully and exclusively as they would
