**NOTE 18. ASSETS HELD FOR SALE**

During fiscal year 2013, we started actively looking for potential buyers for our Fremont campus. In the first quarter of our fiscal year 2014, we reclassified the related property and land as held for sale as of June 30, 2013, as we met all criteria to classify these assets as held for sale as of that date. These assets have been recorded at their carrying amount since it is lower than their estimated fair value, less estimated selling costs (in thousands). As required under current accounting guidance, depreciation of the building ceased upon reclassification as an asset held for sale.

	<u>December 29, 2013</u>
Land	\$ 6,660
Building	6,423
<b>Total assets held for sale</b>	<u>\$ 13,083</u>

On July 9, 2013, we entered into a Purchase and Sale Agreement (“Purchase Agreement”) with Ellis Partners LLC (“Ellis”). The Purchase Agreement provided for the sale of Exar’s Fremont campus to Ellis Partners and the leaseback by Exar of the building located at 48760 Kato Road. The Purchase Agreement was anticipated to close by the end of September 2013. Prior to closing, Ellis requested certain modifications to the Purchase Agreement that Exar deemed unacceptable. As a result, the Purchase Agreement terminated as of September 30, 2013. The Company intends to continue pursuing options to optimize its operating efficiency, including continuing to market the facilities for sale.

**NOTE 19. SUBSEQUENT EVENTS**

On January 14, 2014, we acquired Stretch, Inc. (“Stretch”), a provider of software configurable processors supporting the video surveillance market. The transaction will provide Exar with the technology to deliver an end-to-end high-definition solution for both digital and analog transmission of data from the camera to the DVR or NVR in surveillance applications. Stretch was acquired via a reverse triangular merger for which the purchase consideration was \$10,000 in cash. By acquiring Stretch, Exar acquired all of Stretch’s assets, consisting principally intellectual property, accounts receivable and inventory, as well as assumed all of Stretch’s liabilities and contractual obligations of approximately \$10.0 million of which approximately \$7.2 million has been paid subsequent to quarter-end.

Stretch’s results of operations and estimated fair value of assets acquired and liabilities assumed will be included in our condensed consolidated financial statements beginning January 14, 2014.
