ASSIGNMENT

WHEREAS, I/We, **Cubist Pharmaceuticals, Inc.**, a corporation duly organized under the laws of Delaware, and having its principal place of business at 65 Hayden Avenue, Lexington, Massachusetts 02421, United States is the owner by assignment of certain new and useful invention(s), described in the following United States Patent:

TAZOBACTAM ARGININE COMPOSITIONS

U.S. Patent No.: 8,476,425, Issued July 2, 2013

WHEREAS, **Calixa Therapeutics, Inc.**, (hereinafter referred to as Assignee) a corporation duly organized under the laws of Delaware, and having its principal place of business at 65 Hayden Avenue, Lexington, Massachusetts 02421 is desirous of acquiring all rights, title and interests in and to said invention(s) and in and to any and all patents which may be granted for or upon said invention(s) in the United States of America and anywhere in the world.

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I/We, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my/our entire right, title, and interest in and to this invention, and this patent, and all divisions, and continuations thereof, and all patents of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority in any foreign country on the basis of the above patent application (if any), as well as all rights to claim priority on the basis of this patent in any foreign country, and all applications for patent which may hereafter be filed for this invention in any foreign country and all patents which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and I/We hereby authorize and request the Director of the United States Patent and Trademark Office and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all patents for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE HEREBY covenant that I/We have the full right to convey the interest assigned by this Assignment, and I/We have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE HEREBY further covenant and agree that I/We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns;

ALL of the above shall be held and enjoyed by the said **Calixa Therapeutics, Inc.** for its own use and benefit, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent in accordance with this Assignment.
