Robert O. Baron, Sr. of the United States, Toney L. Benson of the United States, Thomas S. Thompson of the United States, Erick C. Jones of the United States, and Robert J. Dreisewerd, Jr. of the United States,

hereby SELL, ASSIGN, and TRANSFER to Baron Services, Inc., a corporation organized under the laws of the state of Delaware, having a place of business located at 4930 Research Dr., Huntsville, AL 35805, its successors and assigns, the entire right, title and interest throughout the world in their invention in:

I/WE AUTHORIZE AND REQUEST the Commissioner for Patents, or other issuing authority, to issue any and all United States and foreign patents granted for said invention and/or improvements to the above-named assignee, its successors and assigns, or to such nominees as it may designate.

I/WE WARRANT AND COVENANT that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned.

I/WE COVENANT, when requested, and at the expense of the assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all papers useful in connection with said United States and foreign applications, including provisional, divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said invention and/or improvements; execute all rightful oaths, declarations, assignments, powers of attorney, and other useful papers; communicate to the assignee all facts known to the undersigned relating to said invention and/or improvements and the history thereof; and generally do everything possible which the assignee, its successors, assigns, and nominees, shall

I/WE CONSENT that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by any convention or treaty, including but not limited to the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.
