## ASSIGNMENT OF APPLICATION

Whereas, I, David Dawdy, hereafter referred to as "ASSIGNOR", have invented certain new and useful improvements in Fire Door Method Of Operation for which a non-provisional application for a United States Patent was filed claiming priority to provisional application no. 61772086 filed on March 4, 2013.

and

Whereas, CIW Enterprises, Inc. whose post office address is 24 Elmwood Avenue, Crestwood Industrial Park, Mountaintop, PA 18707, hereafter referred to as "ASSIGNEE", is desirous of acquiring the entire right, title and interest in the same.

Now, therefore, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I do sell, assign and transfer unto ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive right, title and interest to the invention in the United States and all foreign countries, as described in the aforesaid application, and to the application and to all non-provisionals, continuations, divisions, reissues and substitutes of the application, together with the right of priority under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States of America adheres, and I hereby authorize and request the Commissioner of Patents to issue the Letters Patent to ASSIGNEE, for its interest as ASSIGNEE, its successors, assigns and legal representatives.

I agree to execute any papers requested by ASSIGNEE, its successors, assigns and legal

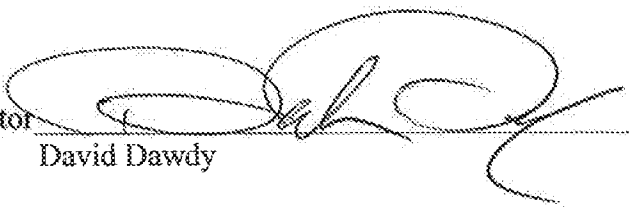

representatives, deemed essential to ASSIGNEE's full protection and title in and to the invention transferred .

I furthermore agree upon request of ASSIGNEE, and without further remuneration, to execute any and all papers desired by ASSIGNEE for the filing and granting of foreign applications and the perfecting of title thereto in ASSIGNEE.

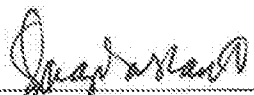

I declare that all statements made of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing therefrom.
