ASSIGNMENT & CONFIDENTIALITY AGREEMENT
made as of and with effect from April 23, 2012

between:

DAVID ANDREW PRINCE
(hereinafter referred to as the "Inventor")

and

RENIX INC.
(hereinafter referred to as "Renix")

file
AP
WHEREAS the Inventor represents to Renix that he is co-inventor of that invention described in the Report of Invention on the Vertically Arranged Liquid Solid Circulating Fluidized Bed dated April 22, 2012 (hereinafter referred to as the "Invention"), retained on file by Renix;

AND WHEREAS the Inventor is prepared to assign to Renix all of his right, title and interest in and to the Invention;

AND WHEREAS Renix is prepared to accept such assignment;

Now therefore, in consideration of the undertakings of the parties set out below and the payment of Five Dollars (\$5.00), each to the other, the parties agree as follows:

1. The Inventor:

- (a) hereby sells, assigns and transfers to Renix his entire and exclusive right, title and interest throughout the world in and to the Invention, which for the purposes hereof, includes any improvements thereto, as well as any patents, patent applications, copyright and other intellectual property rights in and to the Invention, including the right to file priority applications in order to obtain or secure patents or divisions which may be granted and issued therefore or any other intellectual property rights in any part of the world;
- (b) waives his moral rights to the Invention under Section 14.1 of the Copyright Act; and
- (c) agrees to treat as confidential and not to disclose to any person, firm, corporation or other entity, or use for any purpose other than related to this Agreement, any confidential information related to, provided with or created in association with the Invention.

2. The Inventor further agrees, upon the request of Renix, to supply to Renix all reasonably required information relating to the Invention, and to sign all such further documents as may reasonably be required to give effect to this Agreement, including any documents required to obtain or secure patents or other intellectual property rights.

3. The Inventor further acknowledges that he has read and understands the above terms and conditions and that he has had full opportunity to seek independent legal and professional advice as to their effect.

IN WITNESS WHEREOF the parties have executed this Agreement as indicated by their signatures below.
