ASSIGNMENT

WHEREAS, I, Eric Wan of Portland, Oregon have invented a certain invention as described in the following patent applications:

US Provisional Patent Application 61/445,619, filed 23 Feb 2011

US Patent Application 13/403,647, filed 23 Feb 2012

which applications are hereby referred to as the "Patent Applications."

WHEREAS, OREGON HEALTH AND SCIENCE UNIVERSITY, a corporation organized under the laws of the State of Oregon having a place of business at 3181 SW Sam Jackson Park Rd, Portland, Oregon 97239 and ADAPTIVE SYSTEMS INNOVATIONS, LLC, having a place of business at 6418 SW Seymour St, Portland, Oregon 97221 (hereafter collectively "the Assignees"), desire to acquire an interest therein.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Eric Wan, hereby sell, assign and transfer to the Assignees my full and exclusive right, title and interest in and to said invention, patent applications, and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, patent application, and letters patent in this or any foreign country, and all divisions, continuations, reissues, and extensions thereof, to be held and enjoyed by the Assignees for their own use and benefit and for their successors and assigns to the full end of the term for which letters patent may be granted in the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to the Assignees, or their successors and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid the Assignees, their successors and assigns to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

I hereby grant the Assignees the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.

Executed at the place and date opposite my signature below.
